## ***ABOUT US:***

The Real Sausage Company was established as a subsidiary of Crombies of Edinburgh as a purpose designed and equipped facility for sausage making. Quality and standards are of the utmost importance to us and we pride ourselves on the standards we set.

## ***“GOOD MEAT MAKES GOOD SAUSAGES”***

At Crombies we make no compromise on quality. Because we are sausage specialists we regard sausages as an added value product and take care in sourcing the finest cuts of meat. Our sausages are not mass produced, but made in small batches. The proof is in the eating!

## ***SHELF LIFE:***

Our sausages are made fresh on the day of dispatch and carry a further 5 days shelf life when stored at 5C or less.

## ***PLACING AN ORDER:***

You can place your order by telephone or e-mail. Orders are made fresh Monday to Friday and delivered daily in Edinburgh (Monday to Friday) by refrigerated transport.

## ***PRICES:***

All sausages are sold in batch quantities of between 4-5 kg. Purchasing smaller quantities will attract our retail price. When ordering 10 kg or more of any single type of sausage for any single delivery, a 5% discount will apply, except on value lines.
